

Your Community Health Centre

After – School Sports and Recreation Volunteers

**Are you an enthusiastic and positive adult who likes working with children?
Do you have some time to get involved in an exciting new fitness and activity venture with the children of Lanark Highlands?**

The Health Centre is looking for supportive, engaging and positive adult volunteers to assist with an after-school sports and recreation program for children. Training will be provided.

We are looking for 3-4 adults who:

- Enjoy working with groups of children, ideally in a sports and recreation setting;
- Are non-judgmental, supportive and sensitive to the needs of children;
- Demonstrate enthusiasm, positive communication and cooperation;
- Have three hours per week or every other week from mid September to the end of November;
- Are willing to learn about ways to encourage and support children to engage in positive play; and
- Have a strong commitment to helping the children of Lanark have the best start possible.

**For more information, please
Contact Kara at the Health Centre
613-259-2182.**

Personal references
and a CPIC check will
be required.
